

Dr KOH Hau-Tek

MD, MRCS, GDFM (S'pore), GDOM (S'pore), M.Med. (Surgery) S'pore, AMP (S'pore/USA), MBA (S'pore)

Prior to Jiahui, Dr KOH Hau-Tek was General Manager, **Raffles Medical**, China, and managing & expanding healthcare facilities set-up across 6 cities. He has worked previously in major medical groups in Singapore and the Republic of Ireland and has been a practicing physician for 20 years. Dr KOH has sat on and presided over Medical Boards and Clinical Governance committees in private sector healthcare groups, including **Parkway Shenton, Mount Elizabeth Hospital** and **Healthway Medical Group** in Singapore. He was actively involved in multiple large-scale projects in both corporate and government arenas, enhancing scope & quality of clinical services while developing new business lines. He was involved operationally in national outbreaks/pandemics, overseeing preparations and implementation of pandemic workflow at the airport and both hospital and ambulatory centers. After Parkway Shenton & Mount Elizabeth Hospital, Dr Koh was appointed by **Certis CISCO** as Vice-President, International Business Development, with focus on strategy and business development for its healthcare division, driving merger and acquisition activities.

Graduating from National University of Ireland with a 1st class Honors medical degree (& an intercalated Bachelor of Medical Science), Dr Koh completed training in General Surgery, gained entry as a member of the Royal College of Surgeons in Ireland, and further obtained a Master in Medicine (Surgery), Singapore. Dr Koh also pursued the Family Med program and has registered as a Family Physician with the Singapore Medical Council and subsequently completed the Occupational Med program & registered as a Designated Workplace Doctor with Singapore's Ministry of Manpower. He has also completed a Hospital Management Program, an Advanced Management Program (Berkeley/Nanyang), Leadership Program (Wharton, U Penn) and holds an Executive Master of Business Administration (EMBA) from Nanyang Business School.

Dr KOH remains an adjunct lecturer in Occupational Medicine at the National University of Singapore.

Dr KOH was Singcham Beijing Treasurer and Exco member from May 2018 till June 2019, overseeing Singcham China's financials and co-managed with Singcham China's Chairperson for robust corporate governance across all Singcham Chapters including Singcham Shanghai.
